Use, handling and storage marks.] serial # 4340, No PAL required
- 89 Antique handgun Remington-Smoot model New Line No. 3, .38 Short RF five shot single action revolver, w/ bbl length 95mm [Nickel finish. Fixed front and rear sights. Branded checkered grips. Markings include single line address on top of octagonal barrel etc. Mechanically in surprising good condition with type crisp, single action, hammer and trigger operation, indexing and lock up. 99% of plating is intact. Tiny blemishes at some joints and other use, handling and storage marks.] serial # 27579 (under grips), No PAL required
- 90 Antique handgun Remington model New Model Police Conv., 38RF five shot single action revolver, w/ bbl length 89mm [Blued finish. Fixed sights. Smooth wooden stock. Originally a percussion revolver but long ago converted to rimfire cartridge. Factory added matching serial to conversion plate. Mechanically need minor tweak to eliminate hair trigger, otherwise hammer and trigger, indexing and lock up work reasonably well. Virtually all bluing worn leaving aged gray patina. Use, handling and storage marks.] serial # 6981, No PAL required
- 91 Antique handgun Remington model 1858 Rider Pocket Revolve, .31 Perc. five shot double action revolver, w/ bbl length 76mm [Blued finish turning brown. Fixed front and rear sight. Checkered grips. Mechanically it is trying to work, indexing is inconsistent, single and double action operation is reasonably good. Octagonal barrel with two line address on top. Most bluing worn leaving even patina. Includes fitted cardboard box with small bullet mold ( not confirmed match) flask with bas relief stars and eagle etc. Note: careful with box as it has seen better days. Great conversation piece and addition to your collection with use, handling and storage marks.] serial # 13173, No PAL required

- 92 Antique handgun Remington model 1865 Navy Rolling Block, 50 REM NAVY RF Single Shot rolling block, w/ bbl length 115mm [Blued barrel and receiver. Smooth wooden stock and forend. Mechanically appears to function reasonably well. Old tooling marks to screws. Nicks and gouges to wood surfaces. Holes in base of grip, possible held at one time a lanyard ring. Pitting on all metal surfaces. Other use, handling and storage marks.] serial # NIL, No PAL required
- 93 Antique handgun Remington-Beals model Navy Revolver, .36 Perc. six shot single action revolver, w/ bbl length 191mm [Blued octagonal barrel and frame turning brown gray. Smooth wooden grips. Matching serial numbers seen on frame, ramrod, underside of barrel etc. Other markings include "Beals' Patent Sept 14 1858" and address on top of barrel etc. Mechanically including hammer and trigger, indexing, lock up, ramrod, bore etc. in above average condition. Most bluing worn leaving combination of plum, brown and gray patinas. Use, handling and storage marks.] serial # 475 (under grip), No PAL required
- 94 Antique handgun Remington model New Model Army, .44 Perc. six shot single action revolver, w/ bbl length 203mm [Blued octagonal barrel and frame. Fixed front and rear. Smooth wooden grips. Three line address on top of barrel. Matching serial number on frame and barrel etc. Mechanically needs minor tune up. Indexing catches intermittently. Otherwise mechanically works reasonably well albeit a bit loose. Rifling above average, bore is dirty. Higher than normal amounts of dings to metal. Virtually all bluing worn off leaving gray patina. Other use, handling and storage marks.] serial # 65218 (under grip), No PAL required
- 95 Antique handgun Remington model New Model Belt, .36 Perc. six shot single action revolver, w/ bbl length 111mm [Blued barrel and frame. Fixed front and rear sights. Smooth wooden grips. Matching serial number under grip and under side of octagonal barrel. Other markings including "Remington & Sons, New Model" on top of barrel. Appears to have been reblued. Mechanically including hammer and trigger operation, indexing and lock up work reasonably well, albeit a bit loose. Finish worn in use and handling area. Other use, handling and storage marks.] serial # 14334 (under grip), No PAL required
- 96 Antique handgun Remington model Old Army 1861, .44 Perc. six shot single action revolver, w/ bbl length 203mm [Blued octagonal barrel and frame turning brown. Fixed front and rear sights. Smooth wooden grips. Serial numbers 9669 on bottom of frame and left side of frame, serial 7332 on underside of barrel. Other markings including two line address on top of barrel. "PS" on left side of barrel, "J" on left side of frame above hammer hinge screw. "R" on trigger guard and initials "C.E" carved into side and bottom of grips etc. Mechanically including hammer and trigger operation, indexing and lock up work reasonably well. Black powder corrosion in chamber and barrel can best be described as matching external. Finish worn in use and handling areas leaving consistent brown patina. Use, handling and storage marks] serial # 9669 & 7332, No PAL required
- 97 Antique handgun Remington model New Model Army, .44 Perc. six shot single action revolver, w/ bbl length 203mm [Blued octagonal barrel and frame. Fixed front and rear sights. Smooth wooden grips. Matching serial number under grip and underside of barrel. Other markings include two line address and "New Model" on top of barrel, "KD7776" on left side of barrel and "W" on trigger guard etc. Mechanically trying to function with intermittent cylinder jamming, when it doesn't jam trigger, hammer operation and lock up work reasonably well. Finish worn in use and handling areas leaving aged brown plum patina. Other use, handling and storage marks.] serial # 24301 (under grip), No PAL required
- 98 Antique handgun Remington model 1861 Army, .44 Perc. six shot single action revolver, w/ bbl length 203mm [Blued octagonal barrel and frame. Fixed front and rear sights. Smooth wooden grips. Matching serial number under barrel. Other markings include two line patent/address on top of barrel. "JJ" on left side of barrel and left side of frame, "L" on trigger guard, "A" on side of

cylinder "25,26", "B" on back of cylinder etc. Mechanically trying to work, indexing gets jammed, but when not jammed indexes and locks reasonably well, cylinders and bore cleaning than average. Finish worn in use and handling areas with other use, handling and storage marks.] serial # 2847 (under grip), No PAL required

- 99 Antique handgun Remington-Rider model 1858 Belt Revolver, .36 Perc. six shot single action revolver, w/ bbl length 165mm [Blued octagonal barrel and frame. Fixed front and rear sights. Smooth wooden grips. Matching serial number under barrel. Other markings include two line address/patent on top of barrel etc. All aspects of mechanical operation are working but are loose and sloppy. Pitting and dings in metal and wood. Other use, handling and storage marks.] serial # 309 ( under grip) , No PAL required
- 100a Prohib 12-6 handgun Webley & Scott model Mark III, 38 S&W six shot double action revolver, w/ bbl length 76mm [Blued finish. Fixed front and rear sights. Checkered wooden grips. Matching serial number on frame, barrel and cylinder. Other markings include "Mark \* III", "38", assorted proof mark in several places. "Webley Patents' on right side of frame. "W&D" on left side of frame etc. Mechanically including double and single action, hammer and trigger, indexing, hinge and extraction function reasonably well. Lock up a little loose. Bluing worn in use and handling areas leaving some surface rust and other use, handling and storage marks.] serial # 30662, certificate # D-686551, FRT # 64184-9 PAL required
- 100b Prohib 12-6 handgun H&R model 1880, 32 S&W five shot double action revolver, w/ bbl length 76mm [Nickel plated finish. Fixed front and rear sights. Checkered grips. Mechanically in poor condition with rust on internal parts. Most plating is intact with less than 5% gone. Buy as project or parts gun.] serial # 272516, certificate # H-117829, FRT # 47810-1 PAL required
- 100c Prohib 12-6 handgun Iver Johnson model Swing Out, .38 S&W five shot double action revolver, w/ bbl length 73mm [Nickel plated with fixed front and rear sights. Checkered grips. Note: Interesting swing out cylinder design for reloading. Mechanically needs work. Trigger operation and indexing are inconsistent. Most plating intact. Appears it would make a good project gun. Use, handling and storage marks.] serial # 1987, certificate # K-488771, FRT # 136278-1 PAL required
- 100d Prohib 12-6 handgun Iver Johnson model Safety Hammer Automatic M, .32 cal five shot double action revolver, w/ bbl length 76mm [Nickel plated. Fixed front and rear sights. Checkered grips. Mechanically works better than it looks. Indexing seems consistent as are single and double action trigger, hinge and extraction. Plating flaked and rusted at typical maintenance areas, between forcing cone and cylinder, muzzle and bore. Use, handling and storage marks.] serial # 27124, certificate # H-117830, FRT # 25781-14 PAL required
- 100e Prohib 12-6 handgun Rossi model 25, 22LR seven shot double action revolver, w/ bbl length 51mm [Nickel plated. Fixed front and rear sights. Branded checkered plastic grips. Mechanically including single and double action trigger and hammer, indexing and lock up appear to function reasonably well. Almost 100% of plating remains. Use, handling and storage marks.] serial # 16170, certificate # K-486327, FRT # 21591-1 PAL required
- 100f Prohib 12-6 handgun Rossi model 25, 22LR seven shot double action revolver, w/ bbl length 51mm [Blued finish. Fixed front and rear sights. Checkered branded plastic grips. Mechanically is stiff, jerky and is overall worn feeling for all operations. 40% of bluing worn away, especially on handling areas. Use, handling and storage marks.] serial # 4146, certificate # K-486326, FRT # 21591-1 PAL required
- 100g Prohib 12-6 handgun FN model 1900, 7.65mm seven shot semi automatic, w/ bbl length 102mm [Blued finish. Fixed front and rear sights. Branded checkered grips. Includes one detachable magazine. Fitted with lanyard ring. Matching serial number on frame, slide, rear sight etc. Other

markings include proof marks on left side of frame, slide and rear sight etc. Cocking indicator blocks sight path when firearm not cocked and ready. Mechanically appears to function reasonably well. "Merlin Safety" on top of receiver etc. Mechanically appears to function reasonably well with use, handling and storage marks on wood and metal.] serial # C6697, PAL required
- 118 Non-Restricted rifle Lee Enfield(B.S.A.Co) model 1901 L.E 1\*, .303 Brit ten shot bolt action, w/ bbl length 30" [Blued barrel and receiver turning brown gray. Fixed front, adjustable rear and adjustable volley sights. Fitted with mag cut off. Includes one detachable magazine. Markings include Crown over VR, BSA Co, 1901, LE I\* on right side, electric pencil MJ Cox Boer War on left side of mag, MJ Cox 1900 Boer War on left side of receiver, 2CMR706 on top of brass butt plate. Includes brass oil container in stock storage. Rear sling mount missing. Stock has been sporterized and bottom of stock has marking made by a grazing bullet. Mechanically appears to function reasonably well with age appropriate patina, marks and gouges. Provenance including 1902 issued

documentation from Canadian Library of Archives website indicating Matthew James Cox, regiment number 706 in the 2nd CMR (Canadian Mounted Rifles) Unit, discharged in 1902 with field of service in the South African War etc. Copies of Medical certificates indicating and bullet wound in 1901. This was the original gun issued to to M J Cox and he started and finished the war with it, earning himself a Queen's Medal with three clasps; Cape Colony, Transvaal, S.A. 1902. Wonderful historic piece of Canadian Militaria. See extensive photo gallery including copies of documentation.] serial # A74307, PAL required

- 119 Non-Restricted rifle Lee Enfield model No4 MK 1 ROF(F.) 2/44, .303 Brit ten shot bolt action, w/ bbl length 25" [Blued barrel and receiver. Fixed front and two position flip up rear sight. Full wood military stock, brass butt plate. Fitted with sling rings and includes webbed sling and detachable magazine. Electric pencil engraved P. J. Cox 1945 and family purports that P.J. (Phillip James Cox) brought this rifle back to Canada in 1946, although it is not believed to be his service rifle. Mechanically appears to function reasonable well with use, handling and storage marks on wood and metal.] serial # LB24268, PAL required
- 120 Non-Restricted rifle Mauser (Spandau 1901) model GEW.98, 7.6mm bolt action, w/ bbl length 30" [Blued barrel and receiver. Fixed front and adjustable rear sights. Fitted with Lange Visier sight and flip up muzzle cover. Full wood military stock with flat steel butt plate. Sling rings and includes leather sling, broken at one end. Matching numbers on receiver, barrel, bolt, rear sight, front and rear bands, stock, butt plate, mag base, screw heads etc. Electric pencil engraved M.P. Cox 1914-18 on right side of front band and M.J. Cox World War I on mag base. See photos for other assorted proof, regiment and inspector marks. Some mechanical removal of bluing evident on front and side of receiver, left section of barrel at serial number, and both sides of rear sight. Other use, handling and storage marks on wood and metal.] serial # 5881A, PAL required
- 121 Non-Restricted rifle Steyr model 1885 falling block, 8mm single shot falling block, w/ bbl length 32" [Blued barrel and receiver turning gray. Fixed front and adjustable rear sights. Smooth sporterized stock with metal butt plate. Matching serial numbers on receiver, barrel, trigger guard and trigger group. In addition to being sporterized there are other old cracks and repairs in the wood. Electric pencil engraved "Via MJ Cox" on left side of receiver. Some mechanical finish removal has been done around serial numbers and markings. Martini Henry style action is marked "Steyer 1886" on left side and an encircled logo on right side. Family purports that this firearm was obtained by M.J. Cox in South Africa in 1913. Mechanically appears to function reasonably well. In desperate needs of a good cleaning. Use, handling and storage marks to wood and metal.] serial # 6677, PAL required
- 122 Non-Restricted shotgun Remington model 1893, 12Ga single shot hinge break, w/ bbl length 32" [Blued barrel and receiver turning brown. Single bead front sight. Smooth wooden stock with branded checkered butt plate. Old repairs to stock. Thumb sized chunk missing at bottom of semi pistol grip. Trigger spring missing or broken. Side cocking lever missing. Overall well used condition, buy as project or parts.] serial # 61570, PAL required
- 123 Non-Restricted rifle Vetterli (Ost-Schweiz) model 1871, 10.4mm bolt action, w/ bbl length 33" [Blued barrel and receiver turning brown. Fixed front and adjustable rear sights. Straight smooth stock with metal butt plate. Matching serial number on barrel, receiver, stock and forend. Electric pencil engraved "E.J. Cox" on front of trigger guard. Some screws not original. Marked "Ost-Schweizerische" on left side of receiver. Overall well used condition, although action and trigger appear to function. Buy as project gun.] serial # 104323, PAL required
- 124 Antique shotgun Unknown model Muzzle loader, .71" at muzzle single shot flintlock, w/ bbl length 36" [Brown patina barrel. Single bead front sight. Half length smooth wooden stock. Metal butt plate. Ramrod ring and rod missing. Several old cracks and repairs to wood. Non original screws.

- Electric pencil engraved on barrel " E.J. Cox 1945" Trigger guard has been broken. Overall well used condition, buy as wall hanger.] serial # Nil, No PAL required
- 125 Antique shotgun Unknown English model Muzzle loader, .825" at muzzle single shot flintlock, w/ bbl length 40" [Brown patina half round, half octagonal barrel. Fixed front sight with blade missing. Fixed rear sight with three addition flip up elevation adjustments. Full length wooden stock with metal butt plate and fixed riser. Missing ram rod. Electric pencil mark "VIA M J CO" on right side of barrel. Other markings include "London" on top of barrel and assorted proof marks on left side of barrel. Hammer does not lock. Set trigger but appears to be plate missing between trigger guard and stock. Several old cracks and repairs to wood. Overall well used condition. Probably best to consider as wall hanger.] serial # Nil, No PAL required
- 126 Non-Restricted rifle FN model 49, 7x57 Mauser five shot semi automatic, w/ bbl length 23" [Blued style finish on barrel and receiver. Fixed front and adjustable rear sights. Smooth military stock with metal butt plate, sling rings. Includes one magazine. Fitted with flash hider and bayonet lug. Matching numbers on receiver and receiver cover. Firearm appears to be in excellent mechanical condition. Likely has only had light use with use, handling and storage marks to wood and metal.] serial # 3296, PAL required
- 127 Non-Restricted rifle Schmidt Rubin model 1889, 7.5 X 53.5 ten shot bolt action, w/ bbl length 30 1/2" [Blued barrel and receiver. Fixed front and adjustable rear sights. Full wood military stock with top section missing. Fitted with sling rings, bayonet lug and includes one matching number detachable magazine. Matching numbers also on receiver, barrel, bolt and butt plate. Other markings include number 2 in a circle on top rear of stock, a cross in a shield on right side of stock etc. Action and trigger appear to function reasonably well, however, intermittent bolt releasing with trigger pull. Appears it would make a good project gun.] serial # 37263, PAL required
- 128 Non-Restricted rifle Schmidt Rubin model 1889, 7.5 X 53.5 ten shot bolt action, w/ bbl length 30 1/2" [Blued barrel and receiver. Fixed front and adjustable rear sights. Full wood military stock. Fitted with sling rings. Includes leather sling and one detachable magazine. Matching serial numbers on receiver, barrel, bolt and butt plate. Magazine serial number "55324". Other markings include upper case "B" on rear top of stock, cross in a shield on right side of stock etc. Finish worn in use and handling areas, mechanically appears to work reasonably well. Use, storage and handling marks on wood and metal.] serial # 187963, PAL required
- 129 Non-Restricted rifle Schmidt Rubin model 1889/1900 Short Rifle, 7.5 X 53.5, 7.5 X 54.5(?) six shot bolt action, w/ bbl length 23 1/2" [Blued barrel and receiver.
